

WHAT WE GIVE YOU AT NO EXTRA COST...

FEE PROTECTION SCHEME MEMBERSHIP

Peace of mind that we can fight your corner, without any unforeseen fees should HMRC make contact. Cover is up to £100,000 and includes Income Tax, Corporation Tax, VAT, PAYE, IR35 & NI. Simply direct HMRC to us and we'll take care of it.

DEXT* ACCESS

Bookkeeping should be about more than data entry, so a free Premium licence for Dext will take the pressure away. As the system learns where to code your invoices and receipts, you'll no longer need to file and keep all of the paper, freeing you to concentrate on more important tasks.

*Formerly Receiptbank

ENQUIRY LINE ACCESS

Running a business is hard enough without worries about Employment Law, Health & Safety and Commercial Legal cover. We've built unlimited phone access to all of this into our package, so there's less to worry about.

FREE PHONE AND EMAIL SUPPORT

Unless we have to research a tricky question, in which case we'll warn you, all phone and email queries are included. We want to help clients when they need us and can only add value if we know what challenges they're facing. We won't know that if they're worried about incurring extra charges.

PRE-AGREED FEES

There's nothing worse for a business owner than bills you aren't expecting, so we'll ALWAYS pre-warn you of any fees you may incur. There will be NO surprises! And there'll be no cash-flow hit either, as we'll collect annual fees in monthly instalments, making them much more affordable.
